COMMUNITY PARK GRAND OPENING

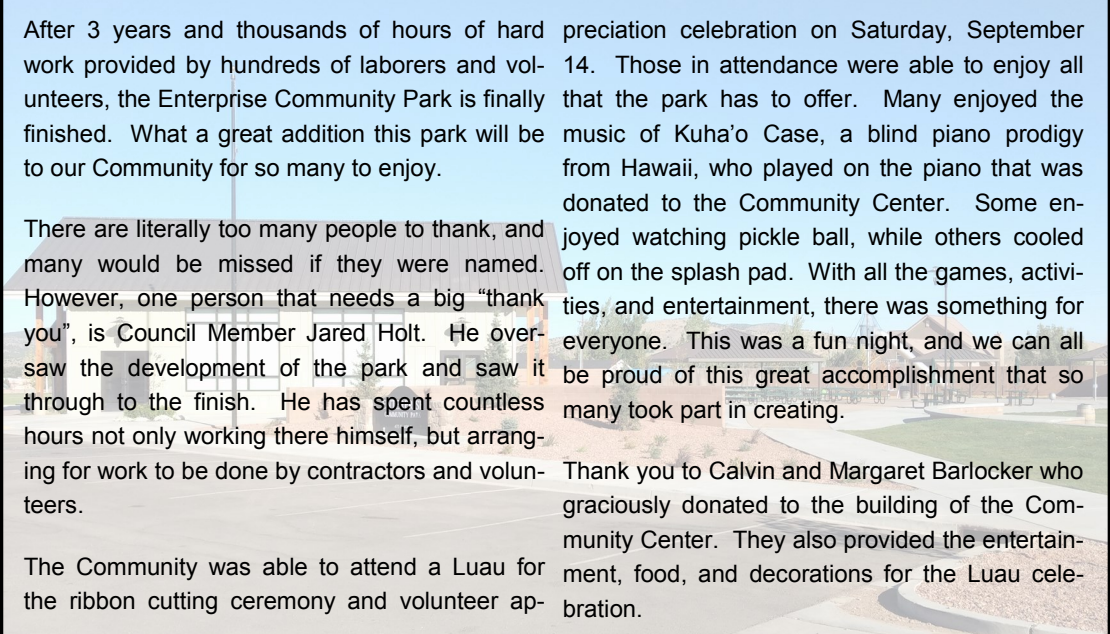

After 3 years and thousands of hours of hard work provided by hundreds of laborers and volunteers, the Enterprise Community Park is finally finished. What a great addition this park will be to our Community for so many to enjoy.

There are literally too many people to thank, and many would be missed if they were named. However, one person that needs a big “thank you”, is Council Member Jared Holt. He oversaw the development of the park and saw it through to the finish. He has spent countless hours not only working there himself, but arranging for work to be done by contractors and volunteers.

The Community was able to attend a Luau for the ribbon cutting ceremony and volunteer ap-

preciation celebration on Saturday, September 14. Those in attendance were able to enjoy all that the park has to offer. Many enjoyed the music of Kuha’o Case, a blind piano prodigy from Hawaii, who played on the piano that was donated to the Community Center. Some enjoyed watching pickle ball, while others cooled off on the splash pad. With all the games, activities, and entertainment, there was something for everyone. This was a fun night, and we can all be proud of this great accomplishment that so many took part in creating.

Thank you to Calvin and Margaret Barlocker who graciously donated to the building of the Community Center. They also provided the entertainment, food, and decorations for the Luau celebration.

MEETING SCHEDULE

6:00 PM - Enterprise City Offices,
375 South 200 East

Planning Commission

October 8
November 12
December 10

City Council

October 9, 2019
October 23, 2019
November 13
December 11

We are here to help!
City of Enterprise

Like us on Facebook.

Thank you Chief Schiefer

Mayor Humphries, along with the City Council, Chief Brenden Moody, and volunteers of the Enterprise Fire and EMS presented Pine Valley Fire Chief Gerald Schiefer an award of thanks for his 20 plus years of service.

Chief Schiefer was dedicated to the area and he served as the oldest Fire Chief and EMT in the State of Utah. He start-

ed the first EMS program in Pine Valley operating under Enterprise’s license. They now have 8 first responders on the advanced level. These responders are critical in saving lives. Chief

Schiefer has helped us with donations for ambulance repairs and other things. He was a great friend and leader who offered support, training, and advice.

Fall Clean Up

There will be an extra roll off dumpster placed at the dumpsite October 4th - 11th. Take advantage of a place to take your trash and get some of those fall cleaning projects checked off your list! Remember tree limbs, leaves, weeds, and garden waste should be put in the burn area.

Burn Permits

Burn permits are available through November 15th. You can get a burn permit by completing the State Burn Permit Application at <https://air.utah.gov/OpenBurning/form/index.php> You can also check to see if it is a burn day after you select the City. You will find a link to this web-site under the information tab on the City’s web page at Enterpriseutah.org

Leash Law Reminder

The City is seeing an increase in complaints about loose dogs around town. There have been a number of complaints of dogs running after people while they are walking their dogs on leashes. You can get a ticket from the Sherriff's Office if the person your dog goes after chooses to call and file a report. These types of tickets can end up as being a Class

B Misdemeanor and go on your record. We have also had many complaints of barking dogs day and night. This is very frustrating to those people who have to listen to the barking while trying to sleep. Please be aware of your dogs and do what you can to stop the barking. The City's animal control officer is more than happy to assist when he

is needed. Please contact the City Offices at (435) 878-2221 during business hours. If you have a situation that can't wait until the next business day, you can call Chris at (435) 231-1700. Please be respectful of others and be responsible for your pets.

Thank You

The Mayor and City Council would like to thank those committees that planned the Independence Day Celebration and the Corn Festival. There are many members of the Community that help these committees behind the scenes. We appreciate all the time and work

involved in planning these events so that the rest of us can enjoy these special days making memories.

Thank you!

ELECTIONS

The Enterprise City Municipal General Election will be held November 5, 2019. On election day, polls will open at 7:00 A.M. and remain open until 8:00 P.M. Voting will take place at 375 South 200 East, Enterprise, Utah. Voter Identification will be required before

being allowed to vote. For more information regarding the upcoming election and acceptable forms of identification, visit vote.utah.gov/. If you are unable to find answers to your questions, feel free to contact Wendy at (435) 878-2221.

JARED J. BOLLINGER	<input type="checkbox"/>
KIMMY WILLIAMS	<input type="checkbox"/>
CURTIS RUPP	<input type="checkbox"/>
K. JED GARDNER	<input type="checkbox"/>

Tree Trimming

The City has contracted with BA Robinson Tree Service to trim the trees that have grown into the above ground power lines. They could get started with this project as soon as the first week of October. They will need access to your yards to be able to accomplish most of the tree trimming. Don't

be too nervous when you see workers showing up with hard hats, saws, and wood chippers. Also, with the new maintenance contract signed with Dixie Power, their employees will be in and out of yards while mapping and creating GPS coordinates of the City's power lines. You will see them out and about in the near future as well. If you have any questions, please contact the City Offices at (435) 878-2221.

FROM THE MAYOR

Mayor Humphries would like to thank our Volunteer Fire and EMS Departments. He has been thoroughly impressed by the way they work together as a team to be sure things get done. These volunteers sacrifice hours of personal time to cover shifts in order to serve our Community and help when needed. Not only do they help in saving lives, but they also do many other things for the Community. The department has been asked to cook for many functions such as the Independence Day Celebration and the Park Grand Opening. They spend much of the 4th of July preparing for and presenting the Fireworks show. They also hold water activities for the kids throughout the summer. When the department is asked to help it causes changes to the shift coverage. The members work together to be sure there is always enough people to cover shifts. They are always willing to help when asked and do it with a smile on their faces. The Mayor was especially impressed by the way the department rallied together to handle the incident that occurred at the Enter-

prise rodeo. The incident happened after the standby ambulance had already left for the evening. There were department members in the audience who stepped in to help until ambulance and air support arrived.

The Mayor would also like to thank City Staff for all of the help that they have provided to the building of the City Park. The park project added more work to their already loaded daily responsibilities. There were many times that they would have to work extra hours to get both their daily responsibilities and these extra projects done. They always worked together to be sure each others responsibilities were taken care of. We have a great staff here in the City of Enterprise.

This is a great place to live. A place where people really care about each other and want to help. People are always working together to make things better for everyone.

Dump Site Reminders

It has been a few months now since the large roll off dumpster was placed at the dump site. It seems that the dump site continues to be a mess. The large dumpsters purpose is to hold the bigger items that do not fit into the smaller dumpsters. When these bigger items are put in the small dumpsters they are not able to hold as much trash.

In an effort to control the safety and appearance of the dump site, we are asking that large and bulky items such as couches, furniture, mattresses, appliances, etc. be placed in the large roll off dumpster. If you have items such as these and would prefer to have them picked up, please notify Republic Services. They can be

reached at (435) 628-2821 or (800) 438-5927. After calling, these items should be placed curbside. If you have any questions or concerns please contact the City Offices at (435) 878-2221.

We are again asking residents to please follow the posted dump site rules. Here is a reminder to familiarize yourself again. No oil, batteries, paint, or tires. Also, absolutely no commercial materials. Do not dump hot ashes or dead animals. Large objects should not protrude and all garbage should be contained. Limbs must be cut and bundled. If you have limbs, consider using the burn area which is for natural, unprocessed wood, branches,

trees and limbs, weeds, and garden waste. These materials should be placed on the existing pile. Processed lumber including; all construction waste, cardboard, paper, tires, plastics, and other garbage are not allowed in the burn area. With the burn area being unlocked this summer we have noticed many items being placed there that shouldn't be. It is a privilege to have this service and if it is abused, the service will no longer be available. Please do your part by placing your trash in the appropriate place.

MEALS ON WHEELS

Meals on Wheels is a service provided to those who are **60 years** of age or older, unable to leave their home without assistance from someone else, and unable to drive. The Meals on Wheels program is available throughout Washington County and provides a nutritionally balanced meal & beverage (2% milk), following the dietary guidelines of the U. S. Department of Health and Human Services and the U. S. Department of Agriculture. Meals are delivered **Tuesday, Wednesday, and Friday** between the hours of **11am – 1pm**. On two of the three days we deliver, you could choose to receive 2 meals, for a total of 5 meals per week. There is a suggested donation of \$3.00 per meal. Please call for more information. 435-878-2557
