## City Council Seats

Mayor Humphries would like to thank all of those candidates that ran for the open City Council Seats. Thank you Yvonne Colby, Jed Gardner, Curtis Rupp, Roy Adams, Kimmy Williams, and Jared Bollinger. It is great that we have people that are willing to serve in our City's Government. Without so many being willing we wouldn't get to

choose who represents our Community. Congratulations to Jed Gardner and Roy Adams who will take their seats in January 2020, and to Jared Bollinger who will continue on as a Council member for another term.

Mayor Humphries would also like to thank Councilmembers Darcy Holt and Jared Holt who have

served on the Council and contributed hours of service in behalf of our Community. Both Darcy and Jared have spent many hours on the new park project along with various other responsibilities. Thank you for all you've done the past few years for Enterprise. Your service does not go unnoticed.

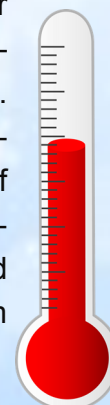

## Settle in for the WINTER

Seasons are changing and cold weather is around the corner. To stay warm and cozy during the cold winter months while also managing your energy costs, set your thermostat to 68° F when you are home and lower when you're sleeping. Use a smart thermostat to automatically adjust

your home's temperature. Replace your furnace filters monthly. Keep heat inside by weather-stripping exterior doors and caulking window frames.

Prepare for storms and colder weather with this checklist: 1. Test and maintain smoke alarms according to manufacturer's instructions.

2. Restock your emergency supplies, including water, ready to eat food and batteries. 3. Share your family emergency plan. 4. Stay informed of weather reports and winter storm warnings.

# City of Enterprise annual Christmas Tree Lighting Ceremony

Monday, December 2nd  
6:00 PM

Enterprise Community Center  
475 East 400 South
