## New City Council and Planning Commission Members

In January, City Council Members Jed Gardner, Roy Adams, and Jared Bollinger were all administered the oath of office at the first City Council Meeting of the year. Curtis Rupp was sworn in as a Planning Commission Member in January, and Becky Hunt has accepted to take on another term as hers ended the end of 2019. They have all been active in their new roles and doing an excellent job serving our City. Mayor Humphries is grateful for their service and is excited to be working with such fine people. If you have any questions or concerns regarding the City, feel free to attend the City's Public Meetings.

# \* COVID-19 UPDATES \*

Following the directive issued by the Governor, the City's sports court and the Community Center remain closed as well as the playground. We will let you know as soon as they are reopened. As of now, the City Offices remain open but we ask that you try to do business over the phone whenever possible. It seems that many people are having a hard time logging into Xpress Bill Pay. The site seems to be down often. If you are struggling to make a payment online, please feel free to call the office and we can help make the payment over the phone.
