DONATIONS MAKING A DIFFERENCE

If you shop at our local Family Dollar you have probably been asked if you would like to buy a drink or a candy bar to help with a store competition or with a donation of some kind. If you purchased a drink during the donation drive for the Washington County Sherriff's Office then your purchase made a difference. The First Responder's at the Sherriff's Office were really

grateful for the drinks that Family Dollar Store Manager, Kirk Roberts delivered to them. Deputy Brock Bentley wanted to let everyone that helped out with this know that it was very much appreciated and that it meant a lot to them. A big shout out to Kirk Roberts for heading this up. He is always finding ways to donate where needed.

Lee Bracken Retires

Congratulations to Lee Bracken on his retirement from Enterprise Ambulance. He spent 43 years volunteering on the ambulance and building the EMT program. He is a true hero in the eyes of many. Thank you for all that you have done for this little town and the people who live here. You will be greatly missed. Best wishes with the next phase in your life.

The City Offices will be closed on Thursday, December 24th and Friday, December 25th in observance of Christmas. The Offices will also be closed on Friday, January 1st in observance of New Year's Day. *Merry Christmas!*

POWER SUPERVISOR RECEIVES DISTINGUISHED SERVICE AWARD

Isaac Jones, Power Supervisor for Enterprise City, was presented with The Distinguished Service Award, which recognizes individuals for their many years of commitment and contribution to their utility as well as their contribution to UAMPS and other public power organizations.

Isaac has been in the public power business for 31 years and has been a UAMPS Board member since 2004. As the Power Supervisor for Enterprise, Isaac wears many hats. He is the power department. He installs conduit, pulls wire, and he tests and installs meters. He does blue stakes, utility connections and disconnections, maintains the street-

lights, and many other things. He is also the IT person for the City. He maintains the servers, all the computers, the wireless network and is the help desk for everyone. He built the SCADA system and the splash pad computer controller.

Isaac is a rock in his representation on the UAMPS Board, always attending the monthly meetings, APPA conferences, and board retreats. Even though he has a quiet demeanor, he is very attentive and strongly supports Enterprise City and UAMPS.

Congratulations Isaac.

SHOW YOUR SUPPORT

When we need them, they are there! Show your gratitude and unity by displaying a sign in your yard supporting our law enforcement and first responders.

Pick up your free signs at the City Office. There are also blue light bulbs for \$1.00 each.

Thank you to Carter's Market, Bracken's, and the City of Enterprise for the donations that made this possible.
