Christmas Tree Lighting Ceremony

The Enterprise City Annual Tree Lighting Ceremony was held on Tuesday, December 7, 2021. This year, community member Jason Knowles was asked to light the tree. He has been a long time resident and has put in countless volunteer hours to help the community. Earlier this year, Jason was presented with a Hero award for helping a local who had fallen outside their home. We are grateful to have people like Jason, who make Enterprise a great place to live!

Those in attendance were able to enjoy the music provided by the children from Enterprise Elementary, Enterprise High School and the Singing Sisters. A special thanks goes out to Jana Dunford and Kameron Mickelson who willingly helped with the kids this year. We appreciate them taking time from their busy schedules. The Singing Sisters are going on four years of performing at the Christmas Tree Lighting Ceremony and listening to them is always a delight.

Trash Pickup Increase

Washington County Solid Waste has voted on a \$0.50 increase per household, per month for residential curbside pickup. This change will take effect February 1st, 2022.

Importance of House Numbers During Emergency

Enterprise Fire & EMS would like to remind the residents of Enterprise of the importance of house numbers. Having a number on your home is not only convenient for finding addresses yourself, but necessary for first responders to locate those in need. Minutes matter so be sure that fire, ambulance, and law enforcement personnel can quickly find your address. Please take a few moments to install house numbers or examine the visibility of your current numbers.

Some tips for your house numbers:

1. Arabic Numerals are best, fancy numbers or numbers that are written out may be aesthetically pleasing but are difficult to read from the street.
2. 4 inches high at minimum and in a contrasting color to your home is best for visibility.
3. Must be displayed on the front of your home.
4. If your home is set back more than 45 feet off the street, it's a good idea to have your number posted at a gate post, fence or other appropriate place that makes it visible from the street from all directions.
5. Make sure your numbers are not obstructed by shrubs, trees, decorations, etc.
6. It could be helpful to display your number under a light so it is easy to spot at night.

Emergencies can happen to anyone at any time. Please help us keep our response time in an emergency short.

Enterprise Recreation

Bantam wrestling will start mid February. Registration will be open in late January. Watch for flyers! You can register at enterpriserecreation.com
