INDEPENDENCE DAY FROM SIX FEET AWAY

Thank you to the many people and donors who make the 4th of July Celebration possible. This year is a little different with Covid-19 putting a damper on things. Many of the days events have been cancelled, but Covid can't stop the fireworks. This year the Legion will hold its annual program at Enterprise High School at 10:00. There will also be the annual Dodgeball tournament at the City Sports Court at 3:00. With the rumor that the State may go back to Orange on July 1st, there is a possibility that these events could be cancelled. Fireworks will be launched at 10:00 PM. If you ordered t-shirts, remember to pick them up at the City Office on July 2nd, before 4:30. We hope to have things

“normal” next year and come back with a bang! We are hoping to add more activities to make the day even better, but in order to do this we could use a few extra hands. If you are interested in helping on the 4th of July Committee contact Curtis Rupp (435) 231-1193 or Mindee Davidson (435) 231-1701.

MEETING SCHEDULE

7:00 PM - Enterprise City Offices,
375 South 200 East

Planning Commission

- July 7
- August 11
- September 8
- October 13

- July 8
- July 22
- August 12
- August 26
- September 9
- September 23
- October 14
- October 28

We are here to help!

SCOOP THE POOP

It was brought to the City Council's attention that there is an increased amount of dog feces at the City Park. It is being found especially around the walking paths. When this was brought to the attention of the Mayor and City Council, it was decided to purchase dog clean up stations and install them around the walking paths of the park. These stations have bags to clean up the mess and a place to dispose of it. There are more stations on the way and will be installed once they arrive. Please be respectful and responsible pet owners and clean up after your pets. Al-

so, please talk with your children about this problem. Many of them may not know that they should be cleaning up these messes while taking their dogs out. We hope that everyone can help with this matter. It is gross and nobody wants to step in this kind of mess. Let's all help to keep the park nice and clean.

It was also decided at the same meeting that the City's Animal Control will pick up any loose dogs and fine owners without a complaint. If you don't want to find yourself paying extra fees for your dogs, keep them on a leash and

clean up after them.

If you need assistance with animal related issues please call the Offices at (435) 878-2221 during business hours. If you need help after hours, contact Chris Davidson at (435) 231-1700. Please help by doing your part to keep our Community clean and waste free.

On June 5th, Roddy Roper was honored and presented with a double bronze star for his acts of valor during WWII. These medals were presented to him by the American Legion Post 80. Mayor Brandon Humphries also proclaimed this day as "Roddy Roper Day" and presented him with a Key to the City. Thank you for your service to our Country and also to Enterprise.

Mayor Brandon Humphries proclaimed May 8th as "Doug Clove Day". Doug was presented with a Key to the City. Doug was a very dedicated member of our Community who worked for decades in public service. He served as a City Councilman, Mayor, and other various positions in our City. He also volunteered many hours at Enterprise Elementary and the Senior Citizen Center.

The City is looking for volunteers for park maintenance. If you are interested in helping or know of someone that might be please contact the City Office at (435) 878-2221.

ATV/UTV Complaints

There have been many complaints of children driving ATVs recklessly through town. This seems to be happening all day and even into the night. Please take a minute to review the laws, and teach your children to be courteous and respectful as they drive. When disgruntled citizens call these complaints in to the Sherriff's office, the privilege of your children riding ATV's around town will come to a stop. This will hold true even for those that follow the rules and try to be respectful. Here are some reminders to help keep you out of trouble.

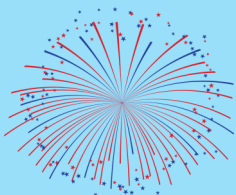

You may not operate an OHV or ATV on any road unless the operator has a valid motor vehicle license. If you are

under 18 without a license you need to carry on hand the appropriate safety certificate **AND** be under the **DIRECT SUPERVISION** of an adult. Direct Supervision means oversight at a distance of no more than 300 feet. Visual contact must be maintained so that advice and assistance can be given and received by the operator. Helmets are required for anyone 18 and under.

OHV/ATVs can be driven on city streets following all traffic laws during the hours of 5:00 AM – 10:00 PM, except for Main Street and SR-18. Main Street and SR-18 can only be crossed to get to another City street.

Mayor Humphries and the City Council would like to thank City Staff for the extra effort that was put into preparing the cemetery for Memorial Day this year. It looked great and your work does not go unnoticed. Thank you!

The Annual Enterprise Cornfest will be held on Saturday August 29, 2020. If you have any questions you can visit enterprisecornfest.com or call Jared Moody at (435) 231-3431.

Fireworks can be used July 2 - 5 for the Fourth, and July 22 - 25 for Pioneer Day within Enterprise City Limits. There is a Fire Restriction in place for Washington County.

Water Party

Location: Heritage Park
