Easter Egg Hunt

Thank you to all of those who helped in any way with the Annual Easter Egg Hunt! We especially need to thank Darcy Holt, Jackie Clove, and those who donated money. The kids always look forward to this yearly event. Thank you for making it possible.

MEETING SCHEDULE

Dump Site Mess

When the large roll-off dumpsters were placed at the City Dump Site almost two years ago, the fence to the [burn area](#) was taken down. This allowed citizens easy access to the burn area. It has come to our attention that many people are dumping things in this area that are not allowed. This area is for tree limbs, natural unprocessed wood, weeds, lawn clippings, and

garden waste. It is **NOT** for sod, pallets, dirt, concrete, construction materials, garbage, and tires. It is a privilege to have a place to put burnable items. It seems as though this privilege is being abused by many.

[The large roll-off dumpsters](#) are for large items such as couches, furniture, mattresses, appliances, etc. Please do not leave large items outside the dumpsters and do not put large items in the small dumpsters. When the large items are placed in the small dumpsters,

they fill up much faster. You can also call the office at (435) 878-2221 and schedule to have these large items picked up curbside at your home.

[No construction materials](#) should be placed in any of the dumpsters. If you are building or remodeling, you should have a dumpster at your home for these items.

Please familiarize yourself with the rules. There are some items that are not allowed in the dumpsters. Some of those items are oil, paint, tires, and batteries. Hot ashes and dead animals should also not be placed in the dumpsters. Objects placed in the dumpsters should not protrude out of them.

There are cameras at the dump site and we will have to issue citations to those that are not following the rules.

2021

Adopt a planter

@ the Enterprise City Park

Come participate in a fun rewarding experience by adopting a planter at the Enterprise City Park (475 East 400 South). The park landscaping has been color coded into sections that you can choose from on a first come first serve basis. You will be asked to keep your chosen section clean from weeds and trash now until Labor day. Please plan to spend at least one hour a week on the planters. Do not spray any chemicals in the planter areas. At the end of the season you will be rewarded with a \$50.00 gift card to a local business of your choice. Participants could be an individual, a family, or a group. If you have any questions, contact Chris Davidson at (435) 231-1700. Thanks for your help in beautifying our park!

Celebrate Independence Day with the following events on Saturday, July 3rd. Order your shirts now so you can be guaranteed the sizes you want. Also, support the soccer club by eating at the delicious Dutch oven dinner!

Download The City Recreation Band App Today!

The City Recreation Program has created their own Band for all communication regarding the rec programs. Download the Band app on your device and receive updated information for our Enterprise Utah Rec Sports Band. Some of the information you will find is: registration deadlines, schedules, and changes that are made, etc. As each sport continues, we will create a new Band for each Recreation Program as needed. You will be able to join each one individually. This will help if you have children in multiple programs. You can also remove yourself if your child decides not to play the next year. You can join simply by scanning the QR Code, Enterprise Utah Rec Sports with your device's camera. We want to thank our community and all the volunteers that make our programs run to the fullest.
