## JASON KNOWLES — A LOCAL HERO

On March 10, at the City Council Meeting, Mayor Brandon Humphries recognized Jason Knowles for the countless hours of service he has rendered to our Community. Jason was presented with a Hero award for recently helping a local who had fallen outside their home.

Mayor Humphries also presented Jason with a key to the City and declared March 11th as Jason Knowles Day!

Thanks Jason for all you do for Enterprise! You are always finding ways to help and serve the people in our town. What you do does not go unnoticed. You are appreciated by so many. You are amazing and we need more people like you.

## New Communication App for City Recreation Program

The City Recreation Program has created their own Band for all communication regarding the rec programs. Download the Band app on your device and receive updated information for our Enterprise Utah Rec Sports Band. Some of the information you will find is: registration deadlines, schedules, and changes that are made, etc. Youth Wrestling has tested their Band this past season and it has been working great. As each sport continues, we will cre-

ate a new Band for each Recreation Program as needed. You will be able to join each one individually. This will help if you have children in multiple programs. You can also remove yourself if your child decides not to play the next year. You can join simply by scanning the QR Code, Enterprise Utah Rec Sports with your device's camera. We want to thank our community and all the volunteers that make our programs run to the fullest.

## Key Cards

Don't forget to purchase a family key card to the Sports Court. Having your own key card will allow you to call and schedule the building without the hassle of coming in to pick up a key from the City Office. This will also help when you get busy and forget to pick up your key before the weekend or holiday. The key cards are \$30.00. If you are interested in getting a key, come into the office and complete the application. You can pay the \$30.00 fee with cash or a check.
