## Call the Sheriff

A quick reminder to please report all crimes to the Sheriff's Office. This time of year, as the weather warms, it seems that the crime rates rise as well. Remember to make yourselves hard targets by locking your doors. Lock your cars and gas caps and most importantly, do not leave money or other valuables in your cars. Close your

garages, lock up your valuables, and turn on your outdoor lights. Most criminals will not want to be seen so keep your homes well lit. Make it impossible for an easy theft!

If we want to have crime addressed in our community we need to make it known to the Sherriff's office that crime

is happening. They can't justify having a deputy patrol in our area unless there is a need for it. Reporting crime is letting them know there is a need. Always file a report even if it seems like a waste of time. **All non-emergency calls should be directed to Washington County Sherriff dispatch at: 435-634-5730.**
