## Independence Day Celebration!

The Enterprise Fire Department and EMS along with South Central Communications are planning another fun-filled 4<sup>th</sup> of July! Plan to attend some of the days activities!

7:30-9:30AM Breakfast (Fire Station)

8:00AM Turkey Shoot (Bentley Lane)

10:00AM American Legion Program (High School Auditorium)

1:00PM Races (New City Park)

3:00 PM Dodgeball Tournament (Elementary)

6-8:00PM Dinner (New City Park)

7:30-8:30PM BINGO (age 18 and older, City Community Center)

10:00PM Fireworks! (Launch site is at the Fire Station)

Dinner tickets will be sold at the Enterprise City Office and Bracken's. Tickets at \$8 pre purchased and \$10 day of the event.

Come out and celebrate your Independence!

## South Central Donates for July 4<sup>th</sup>

South Central Communications is committed to doing their part to better the communities in which we live and work. Each year they make financial and in-kind contributions to a wide variety of activities and causes within their service area. This year

and moving forward, South Central Communications has committed to help fund the Enterprise 4<sup>th</sup> of July Fireworks show. With their donation, the majority of the fireworks will be paid for and the Committee will no longer have to rely on the local

businesses to donate. This contribution will help in continuing our 4<sup>th</sup> of July celebration for years to come! Thank you South Central Communications!

## Welcome New Hire Chris Davidson

The City would like to welcome new hire Chris Davidson. Chris has been hired for the utility/maintenance department.

Chris moved to Enterprise his sophomore year of high school and he has called Enterprise home since. After High School he joined the Air Force as Security Forces and Combat Arms Training and loved every minute of serving our great Country. After his service in the military, Chris

returned with his family to Enterprise. Chris married his high school sweetheart, Mindee (Moyle), and they have 4 beautiful children.

Chris enjoys spending his spare time in the garage tinkering with his Stihl or Husqvarna power equipment. He also enjoys shooting guns, reloading ammunition, cooking with cast iron pans, and cutting down an occasional tree. Welcome Chris!

## Fire Hazards

With the extremely wet weather that we have experienced this spring, the weeds seem to be thriving! Some lots have weeds as tall as the fences. They may be green now, but not for long. Soon they will dry out and become a dangerous fire hazard. With our regular hot and dry conditions, there is

always a high threat of fire. For your safety as well as your neighbors, please eliminate areas of all excess weeds and rye grass growth around fences, barns, buildings or any open area. The City would like to see improvements made so we don't have to issue citations. If the fire department

responds to a fire due to property neglect, all fire suppression and associated costs will be billed to the property owner. With the cooperation of property owners, this risk can be greatly reduced.

## Swimming Pool Laws

With the weather warming up and the kids out of school, lots of people are setting up pools. There are State laws designed to help keep our children safe. When pools are installed they must be secured by means of a barrier that complies with the following:

**305.5** Onground residential pool structure as a barrier. An onground residential pool wall structure or a barrier mounted on top of an onground residential pool wall structure shall serve as a barrier where all of the following conditions are present:

1. Where only the pool wall serves as the barrier, the bottom of the wall is on grade, the top of the wall is not less than 48 inches (1219 mm) above grade for the entire perimeter of the pool, the wall

complies with the requirements of Section 305.2 and the pool manufacturer allows the wall to serve as a barrier.

2. Where a barrier is mounted on top of the pool wall, the top of the barrier is not less than 48 inches (1219 mm) above grade for the entire perimeter of the pool, and the wall and the barrier on top of the wall comply with the requirements of Section 305.2.

3. Ladders or steps used as means of access to the pool are Capable of being

secured, locked or removed to prevent access except where the ladder or steps are surrounded by a barrier that meets the requirements of Section 305.

4. Openings created by the securing, locking or removal of ladders and steps do not allow the passage of a 4-Inch (102 mm) diameter sphere.

5. Barriers that are mounted on top of onground residential pool walls are installed in accordance with the pool manufacturer's instructions requirements.

Please follow the above State laws as citations will be issued to those who do not. More importantly, we want to keep our children safe and avoid any unwanted tragedies.

**KID WHO WOULD BE KING**  
Monday, June 17<sup>th</sup>

**FERDINAND**  
Monday, July 17<sup>th</sup>

**BREAKTHROUGH**  
Monday, August 5<sup>th</sup>

Movies start at dark at the Little League Fields

\*Movies will be cancelled if there is wind and rain\*

## City Recreation Sign-ups in Full Swing

The City's recreation program is accepting sign-ups for numerous activities and sports. Summer classes include: Candy Making, Science Day, Art Camp, Drama Camp, and a Water Party. These classes are limited in size and you will need to sign up at the City Office.

Sign-ups for fall sports are also going on. You can sign up for these sports now at [Enterpriserecreation.com](http://Enterpriserecreation.com): Soccer through June 30<sup>th</sup>, Flag Football through August 1<sup>st</sup>, and Volleyball through August 18<sup>th</sup>. Tackle Football registration will begin

August 1<sup>st</sup> and run through the 19<sup>th</sup>. Don't forget to sign up before the deadline or there will be late fees to pay.

## Coach Wallin Classic

The First Annual Coach Wallin Classic will be held on July 24<sup>th</sup> immediately after the parade at the Enterprise Sports Court. The Coach Wallin Classic will consist of a 3 on 3 basketball tournament with

divisions for age 16 and under and 17 and older. There will also be a free for ore :act 31-

Remember a burn pile key can be obtained at the City Office during regular business hours or at Brackens on weekends. All tree branches and natural vegetation should be placed in the burn pile area, not the dumpsters. Please help with this matter so the dumpsters can hold more trash. Large items should be placed in the roll off dumpster on the north end of the dump-site. Thanks you!
