MISSING A GARBAGE CAN???

Have you been the victim of a stolen garbage can? Well, your neighbor probably doesn't want your garbage can as much as you think! It is very common for the cans to fall into the truck while they are emptying them on garbage day. If you are the victim of a missing garbage can, you can call Washington County Solid Waste at (435) 673-2813 and report your garbage can missing, or call the Enterprise City Office at (435) 878-2221. Washington County Solid Waste will see that you get a replacement garbage can.

Assistant Recreation Director Hired

The City would like to welcome Katye Jones onboard as our Assistant Recreation Director. Here is a bit about Katye to get to know her better. Katye grew up in Lehi, UT in a family of four girls. Despite the fact they were all girls, her parents still taught them how to work hard. Katye's family had their own landscaping business mowing lawns. Also, amongst all the work, she still had time to have fun. Katye grew up playing sports at Lehi High School where she played soccer, basketball, and softball. After high school, Katye went on to play basketball and

Softball at Colorado Northwestern Community College. After her 2 years there, she transferred to play softball at Southern Utah University. While at SUU, Katye met Lync Jones. They were married and later moved their family to Enterprise in the summer of 2017. Katye and her husband Lync have 4 children, one girl and three boys. Even though her playing days are over, she still enjoys being around all games. Her kids love playing sports as well and Katye enjoys watching them play and helping and coaching wherever possible. She especially enjoys coaching at the

high school level. Katye is excited for this new opportunity to help with the recreation program in Enterprise. Welcome Katye! We are glad to have you!

Miss Enterprise Tryouts

All girls age 14-18 years old after September 1st are invited to try out for the Miss Enterprise Scholarship Pageant which will be held on Friday, May 10th at 7:00 PM at the Enterprise High School Auditorium. Scholarships are available to those who place in the royalty. This year we have a new director, April Terry, who will be over the City royalty. She has some big shoes to fill that Mandi Bollinger left behind. Mandi did an exceptional job with

the pageant and helping the girls to fulfill their obligations representing the City of Enterprise. April will be implementing new judging score sheets, lifestyle and fitness, and social impact with a platform to this year's try-outs. The reason for these changes is to help prepare the royalty to compete in other scholarship pageants after their reign for the City. The Enterprise royalty will be supporting the Children's Miracle Network this year.

\$2 of each \$5 admission fee will be donated to the Network. Children under 5 are free. Enterprise is a special place to live, and we also Believe in Miracles. If you would like to sponsor the Enterprise Royalty and Pageant, please contact April Terry at (435) 229-3235.

Planning Commission Member Appointed

After 10 years of dedicated service on the City's Planning Commission, member Ben Cope has decided to turn the reigns over to someone else to experience this great opportunity. The City would like to thank him for the many hours of service he has given to our Community serving on the Commission. Mayor Humphries has appointed

Zach Jones to fill the vacant seat that Ben leaves behind. Zach is a long time member of the Community. He was raised in Enterprise and is continuing to raise his own family here now. He will do a great job serving in this capacity and we look forward to working with you.
