Spring Clean Up

There will be a large dumpster placed at the dumpsite May 11-18th. Take advantage of a place to take your trash and get some of those spring cleaning projects checked off your list! Remember tree limbs, leaves, weeds, and garden waste should be put in the burn area. You can get the key from the City Office or from Brackens.

Burn Permits

Open Burn continues until May 30th. You can get a burn permit by completing the State Burn Permit Application at air.utah.gov/OpenBurning/form/index.php. You can check to see if it is a good day to burn after you select the City. Also, you will find a link to this website under the public safety tab on our City web page at Enterpriseutah.org. Once you complete the application, a notification will be sent to the City Fire Chief so you do not need to call the City or contact the Fire Chief in order to burn.

Community Park Update

The City Park is coming along! The Community Center is in its finishing stages. Once the mechanical systems and flooring are installed, the Sports Court will be completed. The finished surfacing for the tennis courts will be done this spring. Ground work has begun for the Splash Pad and the installation has been hired out. The playground equipment has arrived but will not be installed until a later date. The parking lots will go in after the wiring for the lighting and power is

installed. The park would not be coming along as fast as it is without the help of so many volunteers! Thank you to

all of you that have donated time, labor, and money to this great addition to our community.

Welcome City Marshall Jeff Bailey

Officer Jeff Bailey was recently hired as the new City Marshall. He has 23 years of Law Enforcement experience with Washington County Sheriff's Office, including; Search and Rescue, Patrol Sargent, Drug Task Force, and SWAT. The City has increased Officer Bailey's hours from 10 hours per month

to 10 hours per week. There is hope that with more police presence that we will see crime decrease. Please remember if you are in need of assistance to call Washington County Dispatch at 435-627-4300 for non-emergencies or 911 for emergencies. Officer Bailey will be dispatched through Washington County Dispatch. Dispatch MUST be called for Officer Bailey to be notified and other officers sent if he is not available.
