Thank You Volunteer Firefighters!

We want to extend a huge thanks to our Enterprise Volunteer Firefighters! Our firefighters put their lives on the line for our homes and safety each time they get called on a fire. They do this, not for the accolades, but because they want to contribute to the well-being of our community and the people here. They come to assist in car accidents, sometimes extricating victims who are trapped in their vehicles. They also have expertise in multiple situations involving hazardous materials, focusing on the safety of everyone involved. Firefighters help with lift assists for ambulance patients, and also volunteer their time to go to trainings in order to be ready for our emergencies. Our firefighters here in the City of Enterprise are on call 24/7 when they are in the area. We as a community appreciate your sacrifices and contributions! Be sure to thank your firefighters for all they do for our community!

MEETING SCHEDULE

7:00 PM - Enterprise City Offices,
375 South 200 East

Planning Commission

May 10
June 7

City Council

May 11, 25
June 8, 22

Memorial Day Grave Cleanup

We need your help. The City of Enterprise is asking family members of the deceased in the cemetery to remove everything from the graves from May 16th-26th so that the city employees can clean up the graves for memorial day. In the past, families have only removed old flowers, we are asking that you please remove everything including solar lights and hangers, just for this 10 day period so that we can edge around the headstones without breaking the items on your loved ones' graves. After May 26th, you may return your items to the graves. Thank you for assisting us in the cleanup of the cemetery for Memorial Day!

We are here to help!

Lights At The Little League Fields

You may have noticed the new lights at the city little league fields. This is an exciting new addition to the fields that will help visibility in late games. Thank you to those that have donated to this project! There are more upgrades coming, so keep an eye out for them!

Easter Egg Hunt

The City Easter Egg Hunt was again a great success! Thank you to everyone who donated to make this happen! These fun events for our communities children couldn't happen without the donations and volunteer effort! We are so lucky to live in such a great community! A special thanks for the hard work and dedication of Jackie Clove and Darcy Holt for putting this together year after year!
