MEETING

SCHEDULE

- 7:00 PM Enterprise City Offices, 375 South 200 East

PLANNING COMMISSION

- June 7
- July 12

CITY COUNCIL

- June 8, 22
- July 13, 27

DUMP NEWS

The City of Enterprise is excited that the bulky item dumpsters are back at the dump site! We would like to remind you of the importance of tarping your load when taking items to the dump. There will be increased law enforcement patrol regarding this matter.

Please make sure to bag or box your loose trash to cut down on trash blowing around town.

REMINDER, the only items allowed in the burn pile are tree limbs and other similar natural materials. No tires, trash, or propane tanks please! Our burn pile has been filling quicker than usual and we need your help in order to make burning the pile safer and keep our burns to a minimum.

Thank you for your help keeping Enterprise as clean as possible for all of us to enjoy!

Cover your load so you don't lose it!

REVERSE 911 CALLS

Last year with the Flatt Fire and subsequent flooding, residents received reverse 911 calls for evacuations and even the need for people to fill sand bags. Washington county uses a notification system called Everbridge for their citizen alert system. Everbridge enables the cities within Washington Coun-

ty, Utah to provide it's residents with critical information quickly in a variety of situations, such as unexpected road closures, missing persons, and evacuations of buildings or neighborhoods. You can sign up for this system by going to <https://member.everbridge.net> and creating an account. You

can choose which method you receive these time sensitive messages, such as your home, cell, or business phone, email, text message, hearing impaired devices, and more. Individuals with disabilities who need assistance can register by calling Washington County Citizen Alert at 435-627-4914.

RECREATION REMINDERS

Flag Football

Flag Football is available for kids from 2nd to 6th grade for the 2022-2023 school year. Registration opens June 1st and closes June 30th. The league starts September 6th and games are played on Tuesday nights at the high school. Blue and gold reversible jerseys are available if needed for \$25. The cost of the league is \$40.00, late registration has a fee of \$20.00. There will be NO REGISTRATION after August 10th. For more information you can contact Coby Drake at 435-231-1205. Register at enterpriserecreation.com.

Youth Volleyball

Youth Volleyball is available for boys and girls from 3rd to 8th grade for the 2022-2023 school year. Registration opens June 1st and closes June 30th. Game shirts are included. The league starts tentatively in September. The cost of the league is \$40.00, late registration has a fee of \$20.00. There will be NO REGISTRATION after August 10th. For more information you can contact Coby Drake at 435-231-1205. Register at enterpriserecreation.com.

POWER UPDATE

As you know, prices of everything are continuing to rise, including the cost of electricity. Consider this- You can help delay the rising costs of electricity by cooling your home and using your larger appliances between 10:00am-4:00pm for the majority of their usage. Peak usage times for electricity in Enterprise are between 5:00pm-11:00pm. The cost of electricity is higher during

this time. A collective effort from city residents can help to manage everyone's electric bill.

Offset peak usage rates by cooling your home between 10:00am-4:00pm.

FIRE RESTRICTIONS FOR THE AREA

With the beautiful summer weather moving in, a lot of residents will start camping in their spare time. You may be wondering if you can have a camp fire while you enjoy the outdoors.

According to the US Forest Service website, because of the increasing potential for human caused wildfire activity, dry conditions, and high fire danger in Southwest Utah, Color Country Inter-agency Fire Managers are implementing fire restrictions beginning Friday, June 1st at 12:01am. The following acts

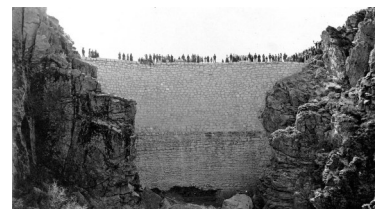

are prohibited until further notice:

Igniting, building, maintaining, or using a fire, including charcoal and briquettes, outside a fire structure provided by the agency within a designated area is prohibited. All debris burning is strictly prohibited.

Campfires are allowed in all developed recreation sites, campgrounds, picnic areas, and home sites that are maintained and administered by the agency, or home sites where running water is pre-

sent are allowed. Stoves or grills that are fueled solely by liquid petroleum fuels are also allowed.

Lands are becoming increasingly dry and fire danger is increasing daily. Please ensure your campfire is completely out before you leave and all ignition sources are a safe distance away from vegetation to mitigate unwanted wildfires.

CITY FIREWORK DONATIONS

For the past 7 years we all have been able to enjoy an awesome firework show to end our day on the 4th of July. In the past, the 4th of July committee has relied on donations from local businesses to fund these fireworks for our entertainment. The cost of fireworks continues to increase each year, and we are no longer able to fund the fireworks from the donations made by our gen-

erous local businesses.

We would like to suggest that the community contribute to our firework show. If each household donated just \$1.00-\$2.00/month on their utility bill, we could fund the fireworks each year. To add this voluntary donation to your utility bill you must complete and sign a form at the City Office. After the form has been signed, the charge will be added to your monthly

utility bill. If you would rather make a one time per year donation instead, please stop by the City Office. The committee as well as the City of Enterprise, hopes that you will be willing to donate to keep this 4th of July tradition going strong.

DROUGHT UPDATE AND WATER SAVING OPPORTUNITIES

99.45% of the state is in severe drought or worse, with 43.46% in extreme drought. Governor Cox has issued a drought emergency order.

Statewide snow water equivalent (SWE), or how much water would be in the snowpack if it melted, peaked at 12 inches. This is 75% of the typical median peak of 16 inches for our water year. Overall statewide storage is 60% of capacity. This time last year, reservoirs were about 67% of capacity.

Water Saving Opportunities

Take a shorter shower, update appliances, fix a leak, adjust sprinkler timers, install waterwise landscaping.

Old toilets are the leading cause of water wasted in Utah homes. At <https://utahwatersavers.com/Program/4/toilet#program->

overview you can apply for an up to \$100 toilet replacement rebate when you replace your old toilet with a Watersense-labeled toilet.

Toilets use more water than any other indoor fixture. Because toilets manufactured before 1994 use more gallons of water per flush, replacing them is an easy way to conserve water.

Garden Water Conservation Tips

- Plant your garden when temperatures are cooler and plants require less water. (This is also less stressful for the plants)
- Arrange plants in your garden according to watering needs and consider your sprinkler zones.
- Install a drip system instead of row watering.

- Use a thick layer of mulch around landscape plants and on bare soil surfaces. (This reduces evaporation, promotes plant growth and reduces weeds.)
- Remove weeds from the garden (This helps cut down on excess water consumption due to plant competition.)
- Spot water to green up dry spots.
- Plants don't drink as much water as you think! Learn how much water they need and how best to apply just the right amount.
- Collect the runoff from your roof in a barrel. Register for free with the division of water rights first.

- Upper Enterprise Reservoir fill is at 17%
- Lower Enterprise Reservoir fill is at 56%

Register for rainwater harvesting free with the Division of Water Rights before harvesting rainwater. You can collect and store rainwater without registering in no more than 2 covered containers if neither container stores more than 100 gallons.

ENTERPRISE CITY SUMMER CAMPS

Drawing Camp

Date:
Tues-Wed. June 14 & 15
Cost: \$20.00
Time: 1:00-2:00 pm
Ages: 9-13 years old
Location: Community Building

About: Want to learn how to draw something REALLY COOL?... Mario, Luigi, My Little Ponies, cityscapes, flowers...Come to drawing camp to learn how & have fun drawing with friends!

Beginning-Intermediate Drawing Camp

Date:
Tues-Wed. June 14 & 15
Cost: \$20.00
Time: 2:00-3:00 pm
Ages: 14+

Location: Community Building
About: Do you want to learn how to draw something REALLY AMAZING? Special drawing techniques, how to draw an object you see, and enjoy, sketching with greater confidence and more. Come to drawing camp to learn how and have fun drawing with friends!

Digital Photography Camp

Date: Monday June 20th
Cost: \$15.00
Time: 10:00-11:00 am
Ages: 10+

Location: Community Building
About: Want to learn how to use that AMAZING camera? Not sure how to take the best photos possible? Come learn the basics on how to use your camera and capture the BEST photos.

Cellphone Photography Camp

Date: Monday June 20th
Cost: \$15.00
Time: 11:00 am-12:00 pm
Ages: 8-17 yrs old

Location: Community Building
About: Wonder how you can take AMAZING photos to upload to social media? Come learn how to have that artistic eye, get angles and lighting right and more.

Beginning Painting Camp

Date: Tuesdays June 21 & 28
Cost: \$20.00
Location: Community Building
Time: 11:15 am-12:15 pm
Ages: 9-13 yrs old

Time: 12:15 pm-1:15 pm
Ages: 14+

About: Do you want to learn how to paint something REALLY COOL? Paint an object you see and enjoy, and paint with confidence and more. Come to painting camp to learn how and have fun with friends!

Art Camp

Date: Thurs. June 23 & 30
Cost: \$20.00
Location: Community Building
Time: 11:15 am-12:15 pm
Ages: 5-8 yrs old

Time: 12:15 pm-1:15 pm
Ages: 9-13 yrs old

About: Learn about drawing, pairing, collages and more. Learn the basics of art and have fun with friends!

WATER PARTY by Fire Dept.

Date: Thursday June 23rd
Cost: FREE
Time: 11:00 am
Location: Heritage Park (Next to the Elementary School)

Science Day Camp

Date: Wednesday August 3
Cost: \$15.00
Time: 10:00am-12:00 pm
Ages: 7-9 years old
Location: Community Building
